**To price your small quantity of tags there are 5 steps to take**

- 1 Choose the quantity either 500 (80% OF 1000 RATE) ,1000 or 2000 (If above these quantities please call the office)
- 2 Choose the size or nearest by area
- 3 Choose print requirement either 1 colour (A) or multi colour (B) and add either (C or D) if printed 2 sides
- 4 Add the cotton, wire, string or elastic prices if required (E)
- 5 Add the die cutting charge if any shape other than the standard tag shape(2 cut corners) or square cut is required. (F)
- 6 Add up the items to a **TOTAL PRICE** so £277.00 is for 2000 tags

**Example** 2000, size 120 x 60mm, printed full colour 2 sides, square cut, with fitted wire, = **B** (£160) + **D** (£80) + **E** (Wire) (£37) = £277.00

**Artwork** Please call and advise us what you have. We can set line and type but we can not create logos etc.

A high resolution pdf or outlined eps are the preferred options for artwork. If we have to reset an artwork charge of £15 may be added.
