

KASKAD Product specifications

Kaskad is a vat coloured, wood-free, uncoated paper. It is manufactured from chlorine-free pulp and is neutrally sized. Kaskad has a matt, non-reflective surface and is resistant to ageing in accordance with ISO 9706. The standard colours we print on our shown below. All our tags are made on 225gsm/280mic card. We can also manufacture tags on 270 gsm card. Remember that the colour of the paper affects the printing, and adapt the choice of images accordingly. Kaskad is not suitable for varnishing, as the lacquer can easily be absorbed by the paper.
